**STEINS**  
WORLD SKI TOURS

Steins World Ski Tours is now in its 36th year of operation with over 75% repeat clients. We are the largest group ski operator from Australia.

Each tour is accompanied by professional ski instructors who are selected for their on slope expertise and for their knowledge of our resorts, including night life, restaurants and other activities, to ensure you have a great time.

Travelling as a group has many benefits over travelling alone. Not only do you gain the benefit of group purchasing power with hotels, lift companies, transportation etc, but you have companions to ski with and après-ski with as well.

Tour sizes are limited to hotel space blocked for each tour. Book early to secure your place and avoid disappointment.

In most cases the airfare components are the cheapest available and have special conditions attached. Refer to United Airlines USA and Canada on page 4 for conditions or ask us at time of booking. Special rates available for Business Class travel.
