CANADIAN MOUNTAIN HOLIDAYS - HELI-SKIING AND HELI-BOARDING

The thrill of heli-skiing Canada CMH Heli-Skiing is the world's most comprehensive and spectacular wilderness skiing experience. With more than 50 years of experience and 11 heli-ski areas throughout British Columbia, thrill-seekers come to CMH from all over the world to indulge in Canada's indomitable landscape and powder.

CMH offer a variety of trips and lodges to choose from. Some of our most popular lodges are outlined on pages 8 and 9

Typically you get 30,000 metres or 3½ Mount Everest's worth of skiing on a week-long trip, backed up by the heli-ski industry's most generous refund policy

Travelplan Hosted Groups for 2019

Gothics Lodge Feb 16-23

Galena Lodge Feb 23-Mar 2

CMH LODGES

Cariboos

Classic, cosy and flexibility to match the varied terrain. Customised service with the highest guide to guest ratio.

Nostalgic Lodge!

Best For: strong intermediate skiers and above in an abundance of terrain. Ideal for families and groups of new and experienced heli-skiers. Relaxed pace.

Terrain: ■

Location: Cariboos

Programs: Family Adventure, Powder Intro, Powder Intro (Women Only), Powder Masters, The Steeps, Signature Trips

Galena

Casual, relaxed living but hard-core challenging skiing in ultra-deep snow. Added thrill of cliffs if you want airtime. Pillow lines and fabulous tree runs.

Best for: strong, physically fit, experienced skiers and boarders capable of handling the steep trees. The ultimate snowboarding destination.

Terrain: ◆/◆◆

Location: Selkirks

Programs: Private Trips, Signature Trips, Ski Fusion: Heli-Skiing & Touring

Monashees

Here is the best tree skiing on earth. This stunning lodge, built with local timber, is accessible by car, while still enjoying a remote location.

Best for: strong, experienced skiers and boarders who are physically fit and capable of steep tree runs at a fast pace. Legendary terrain.

Terrain: ◆/◆◆

Location: Monashees, Selkirks

Programs: Small Group, Private Trips, Ambassador Trip, Signature Ski Touring, Signature Trips, Family Adventure

Bugaboos

Soak up history in modern comfort. CMH began here in '65; the terrain and soul-stirring scenery has kept it going.

Best for: strong intermediate skiers and above. The varied iconic terrain makes it a favourite amongst first-timers and families with a relaxed pace, as well as seasoned heli-skiers who return year after year.

Terrain: ■

Location: Purcells

Programs: Signature Trips, Powder Intro, Powder Masters, Family Adventure, Ski Fusion: Heli-Skiing & Touring, Private Trip

Bobbie Burns

Fast access to the middle of nowhere. A wilderness retreat with big vertical and bold skiing.

Best for: the technically strong and physically fit skiers and boarders who enjoy a faster pace. Lots of vertical. Fast paced.

Terrain: ■ ■ /◆

Location: Purcells, Selkirks

Programs: Signature Trips, Small Group, Private Trip, Ski Fusion: Heli-Skiing & Touring

Adamants

It doesn't get more remote or enchanting than this. Long glaciers, deep valleys, and nobody else in sight.

Best for: strong, experienced skiers and boarders who are physically fit and capable of steep tree runs at a fast pace. Legendry terrain.

Terrain: ■ ■ /◆

Location: Selkirks

Programs: Small Groups, Small Group Touring
